19 January 2021

Dear Healthcare Professional,

Please find attached important safety information regarding ocular toxicity with XALKORI (crizotinib) in patients with anaplastic large cell lymphoma (ALCL). You are receiving this information because you have been identified as an oncologist treating pediatric and young adult patients with ALCL.

Please call the Pfizer Medical Information Department at 1-800-438-1985 if you have any questions. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Roxanne Ferdinand'.
